

CITY OF BRYAN

JOB DESCRIPTION – 1215

Working Title: EQUIPMENT OPERATOR

Career Ladder: TECHNICAL OPERATIONS **Level:** 220

Division: FACILITY SERVICES **Department:** COMMUNITY SERVICES

SUMMARY AND PRIMARY FUNCTION

To operate small trucks, tractor mowers, a variety of light types of motorized equipment and pesticide applications in support of maintenance of City rights-of-way and assigned vacant lots.

PRIMARY DUTIES

Mows, trims and picks up litter in assigned areas.
Documents necessary information on work orders
Maintains and repairs assigned equipment as stated in the operator's manual
Attends and participates in monthly safety meetings
Participates in performance reviews given by supervisor

EDUCATION AND EXPERIENCE

High school diploma or equivalent.
Minimum of 1-3 years performing in related areas of responsibility.
Actively engaged in a program, formal or informal, at the "apprentice" level to learn the skills necessary to become self-sufficient.

KNOWLEDGE, SKILLS AND ABILITIES

Ability to learn, comprehend, and apply all City or departmental policies, practices, and procedures necessary to function effectively in the position.
Ability to move or lift objects of 50 pounds or more as necessary.
Ability to perform in a safe, efficient and purposeful manner.
Ability to understand and follow standardized routines, verbal instructions and detailed written procedures and instructions.
Proficient in using all right-of-way equipment, including tractors, shredders, slope mowers, riding mowers, trimmers, edgers, blowers, and chainsaws.

SPECIAL REQUIREMENTS AND LICENSES

Required: Texas Class C driver's license with a good driving record as measured by the City's evaluation system.

Preferred: Certified applicators license through Structural Pest Control Board (SPCB) or Texas Department of Agriculture (TDA) or ability to obtain.

EQUIPMENT

Small truck, dump truck, tractor, mowers and hand tools.
Work shall be performed with tools, appliances and equipment approved by those agencies and bodies that have control, authority or approval of the design working ranges or limitations of those items; the employee has the responsibility to conform to those ranges and limitations.
